## ATRIUM TENT

# About Us

## Shelter Structures' Brand Introduction

Shelter Structures was founded in 2003 and has evolved into a global leader in the prefabricated structures industry over 20 years. With a mission to pioneer sustainable development in construction, Shelter Structures has made significant strides in innovation and product development. Nowadays, we supplied tents all over the world and has supported the Olympics, Benz, BMW and many major events and international corporations

# Atrium Tent

The design of the atrium tent is inspired by the ancient Roman style, with a transparent appearance and a black frame with iron ornament at top. The overall bright atmosphere is eye-catching. With a modular design, it is easy to install and becomes the first choice for temporary parties and weddings.

## Features

- Wide and unobstructed interior space with a maximum span of 80 meters
- Combine traditional elegance with modern elements to create a luxurious atmosphere
- Customized solutions such as iron ornament patterns, tent styles and accessories are available
- Maximize natural light and provide open views with transparent cover
- Handle higher wind loads and ensure safety and reliability in adverse weather conditions
