

SHELTER STRUCTURES

HIGH PEAK TENTS

About Us

Shelter Structures' Brand Introduction

Shelter Structures was founded in 2003 and has evolved into a global leader in the prefabricated structures industry over 20 years. With a mission to pioneer sustainable development in construction, Shelter Structures has made significant strides in innovation and product development. Nowadays, we supplied tents all over the world and has supported the Olympics, Benz, BMW and many major events and international corporations

High Peak Tents

The high peak tent combines elegance and durability, making it ideal for gatherings and events. Made from 6061-T6 aluminum alloy, it offers exceptional strength and corrosion resistance for long-term use. With customizable elements and unique high peak design, this tent is perfect for weddings, corporate events, and outdoor exhibitions, seamlessly blending functionality with style.

Features

- Spacious interior and open views, perfect for weddings, corporate events, and outdoor exhibitions
- Stylish high peak roof designs enhance visual appeal for any event.
- Provide durability and corrosion resistance with 6061-T6 aluminum alloy poles
- Exceptional adaptability makes it suitable to set up on various terrains and environments
- Premium PVC fabric for excellent waterproofing and UV resistance

Frame

Main Materials	<ul style="list-style-type: none"> ▪ Aluminum Alloy Pipes ▪ Q235 Steel Components
Color	Original Color/ White Coating
Max Wind Load	60km/h
Max Snow Load	0.1kN/m ²
Features	<ul style="list-style-type: none"> ▪ Reliable metal frames made of durable and sturdy aluminum to ensure stability and long-term uses. ▪ Easy to setup and expand with prefabricated lightweight aluminum frame and modular design. ▪ Sturdy enough to resist various weather condition and withstand wind and snow loads.

High Peak Tents	Tent Size	Eave Height	Frame	Outer Fabric	UV Coated & Waterproof	Fire Retardance
	10x10ft - 20x40ft	7.0ft	Aluminum Alloy Poles	430G PVC	Yes	Meet international fire safety standards (DIN4102:B1/M2)

Outdoor Weddings

High peak tents are ideal for outdoor weddings, providing a stunning focal point with their elegant silhouette. They offer ample space for guests, customizable designs to match themes, and protection from the elements, ensuring a memorable celebration.

Trade Show

High peak tents are perfect for trade shows, creating a striking presence that attracts visitors. Their ample space accommodates product displays and interactions, while customizable features enhance branding, making them an effective solution for showcasing products and engaging attendees.

Corporate Gathering

High peak tents are an excellent choice for corporate gatherings, creating a sophisticated and welcoming environment. Their generous space accommodates teams comfortably, while customizable elements allow for branding. Plus, they shield guests from the weather, ensuring a smooth event.

Sports Event

High peak tents are commonly used at sports events, providing a designated area for team tents, VIP sections, or concessions. Their robust design offers shelter for spectators and participants, while customizable branding enhances visibility and engagement throughout the event.
