

SHELTER STRUCTURES

KEDER TENT

About Us

Shelter Structures' Brand Introduction

Shelter Structures was founded in 2003 and has evolved into a global leader in the prefabricated structures industry over 20 years. With a mission to pioneer sustainable development in construction, Shelter Structures has made significant strides in innovation and product development. Nowadays, we supplied tents all over the world and has supported the Olympics, Benz, BMW and many major events and international corporations

Keder Tent

A keder tent is a type of temporary structure designed for easy assembly using a Keder track system. Featuring a durable aluminum alloy frame and a weather-resistant PVC cover, it is ideal for various small events, such as private parties and pop-up shops.

Frame

Main Materials	<ul style="list-style-type: none"> Aluminum Alloy Frame Q235 Steel Components
Color	Original Color/ White Coating/ Black Coating
Max Wind Load	60km/h
Max Snow Load	0.1kN/m ²
Features	<ul style="list-style-type: none"> Reliable metal frames made of durable and sturdy aluminum to ensure stability and long-term uses. Easy to setup and expand with prefabricated lightweight aluminum frame and modular design. Sturdy enough to resist various weather condition and withstand high wind and snow loads.

Keder Tent	Tent Size	Eave Height	Central Pole	Frame	Outer Fabric	UV Coated & Waterproof
	20x20 ft-30x60ft	7.0	No	Aluminum Alloy Poles	430G PVC	YES

Features

- Keder chains are installed on the edge of the tent allowing for fast and simple assembly
- Due to quick installation, it allows for multiple reuses, suitable for temporary events with frequent changes of location.
- Keder tents offer a range of customizable sizes and designs to meet different venue requirements
- It features a traditional A-frame design with a sloped roof and low center of gravity for increased stability.
- Able to be installed on a variety of surfaces including grass, concrete and compacted sand.

Farmers Market

In farmers markets, Keder tents provide shade and protection from rain, creating an ideal space for displaying agricultural products and handicrafts. The open design of the tent promotes customer flow and enhances the overall atmosphere of the market.

Community Events

Whether it is a community celebration or a gathering, Keder tents provide a safe and comfortable space to promote communication between residents. Its easy-to-set-up feature makes it easier to organize events and increase participation.

Temporary Stores

Keder tents provide flexible space for temporary stores, which can be quickly set up and disassembled to attract customers while protecting goods. Its diverse design combines with the brand image to enhance the shopping experience and meet different needs.

Small Exhibitions

Keder tents are perfect for small exhibitions, providing flexible booth settings and a comfortable viewing environment. The customizable space design makes the exhibits more attractive and helps brands establish a deep connection with the audience.
