

# SHELTER STRUCTURES

PAGODA TENT

# About Us

## Shelter Structures' Brand Introduction

Shelter Structures was founded in 2003 and has evolved into a global leader in the prefabricated structures industry over 20 years. With a mission to pioneer sustainable development in construction, Shelter Structures has made significant strides in innovation and product development. Nowadays, we supplied tents all over the world and has supported the Olympics, Benz, BMW and many major events and international corporations

# Pagoda Tent

A pagoda tent is a temporary outdoor activity building with a unique appearance, inspired by the pyramid architecture of ancient Egypt. Pagoda tents are suitable for a variety of occasions, including outdoor weddings, cultural festivals, commercial exhibitions, corporate events, and so on. The size and shape of the pagoda tent can be customized according to clients' specific needs.

## Features

- Characterized by no internal support poles
- Its structure consists of prefabricated components that can be installed independently.
- High strength and robustness, providing a stable connection effect
- Multiple applicable scenarios, suitable for various leisure activities
- With low maintenance costs, the pagoda tent has a high cost-effectiveness

## Frame
