

SHELTER STRUCTURES

POOL ENCLOSURE

About Us

Shelter Structures' Brand Introduction

Shelter Structures was founded in 2003 and has evolved into a global leader in the prefabricated structures industry over 20 years. With a mission to pioneer sustainable development in construction, Shelter Structures has made significant strides in innovation and product development. Nowadays, we supplied tents all over the world and has supported the Olympics, Benz, BMW and many major events and international corporations

Pool Enclosure

With a clear view and spacious space, the pool enclosure enhances the value of houses. Using sturdy aluminum frame and high strength transparent cover, it creates an excellent swimming and party experience. Our pool enclosure also can be customized with automatic closure and intelligent driving system. It is the best choice for four-season swimming and outdoor parties.

Features

- Durable PC panel or high-strength tempered glass to maintain transparency and support UV protection
- Keep the interior and water at the right temperature to provide an environment for year-round use
- Improvement of cleanliness by preventing leaves, insects, and other debris from entering
- Acting as a barrier to provide safety for activities and give people peace of mind
- Different smart systems can be customized to provide convenience and enhance the experience

Chile Swimming Pool Tent

Location: Chile

Sector: Pool Enclosure

Tent Size: 10x12m

Built Year: 2015

Play Areas for Children

The swimming pool enclosure provides a safe water playground for children, making it an ideal space for children to play.

Swimming Parties

By leveraging smart systems, customizing the pool enclosure, and incorporating thoughtful party elements, you can host memorable swimming parties that guests will enjoy, rain or shine.

Community Club

A community club pool enclosure serves as both a recreational and social hub, offering a protected space for various activities while also ensuring safety and comfort. Only authorized residents of the community can access the pool.

Our Belief >>

Tailor-Made Solutions Make Space Valuable

Shelter Structures

Shelter Structures is dedicated to providing globally leading outdoor space solutions, mainly producing high-quality temporary and semi-permanent modular tent systems, widely used in various outdoor festivals, commercial events, sports venues, industrial storage, military, and disaster relief areas.

Glitzcamp

Glitzcamp specializing in outdoor tents and holiday homes manufacturing, mainly serving tourism real estate, RV camps, cultural and tourism towns, etc., capable of meeting personalized customization needs and providing efficient and beneficial tourism housing solutions.
